This is in response to the petition under 37 CFR 1.47(a), filed January 20, 2004 (certificate of mailing date January 14, 2004).

The petition is granted.

Petitioners have shown that the non-signing inventors, Richard Dykiel and Michael Leibensperger, have refused to join in the filing of the above-identified application after having been presented with the application papers. Specifically, the declaration of Attorney Kevin D. Willis establishes that Mr. Dykiel refused to accept the application papers through his attorney, who stated that Mr. Dykiel would not cooperate in the filing of the application and that Mr. Leibensperger was mailed the application papers, including the specification, claims and drawings, but expressly refused to sign the declaration. Petitioners have submitted a declaration in compliance with 37 CFR 1.63 and 1.64.

This application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventors at the addresses given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

After this decision is mailed, the above-identified application will be forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries should be directed to the undersigned at (703) 308-6712.
